

DODDS SHOE CO.

ALWAYS ONE STEP AHEAD

Sizing Chart

Print out this page at 100%.
Place your heel on the line at the
base of the scale. Stand up and
read where your toes fall.

Scale 4 inches

Make Sure this area measures 4 inches
when printed for accurate sizing. If it does
not, click "File" "Print" and then set page
scaling to "none" or select "actual size"
depending on your version of Acrobat Reader.

Note: This chart is only an
approximation. Sizes vary
between brands & styles.
